

MATHUUMITHA THEVARAJAH

BICT (Hons) Undergraduate · Aspiring Data Analyst

tmathuumitha1243@gmail.com | 0755357344 | Sri Lanka | [linkedin.com/in/mathuumitha-thevarajah](https://www.linkedin.com/in/mathuumitha-thevarajah) | github.com/t-mathuumitha

PROFILE

Undergraduate student with a strong interest in data analysis, technology, and problem-solving. Passionate about working with data to discover meaningful insights, identify patterns, and support better decision-making. Developing skills in Python, SQL, databases, data visualization, and analytical techniques, with hands-on experience turning raw data into useful information through practical projects. Career goal: to become a skilled Data Analyst and contribute to data-driven solutions in a professional environment.

EDUCATION

BICT (Hons) — Bachelor of Information & Communication Technology (Honours)	Expected 2028
<i>University of Vavuniya</i>	
Data Analysis — Training Course	2026
<i>NoviTech R&D Private Limited</i>	
Python for Beginners — Introductory Course	2026
<i>University of Moratuwa</i>	
Diploma in English	2023
<i>IDM Campus · 6-month course covering English language proficiency and communication skills</i>	

TECHNICAL SKILLS

- Programming Languages: Java, Python, JavaScript, C#, C, C++
- Data Analysis & Visualization: Python (Analysis), Microsoft Excel, SQL, Data Cleaning, Data Visualization, Basic Statistics
- Web Technologies: HTML, CSS, JavaScript, Basic UI/UX Design
- Databases & Tools: MariaDB, Git & GitHub, VS Code, Notepad++
- Other: Object-Oriented Programming (OOP), Problem Solving, Data Structures & Algorithms, Git Version Control, Technical Documentation

EXPERIENCE

Secretary (2025- 2026)

IEEE Computer Society Student Branch Chapter, University of Vavuniya

- Coordinated events and student activities
- Organised technical sessions and workshops
- Managed documentation and organisational communication
- Collaborated across committee members and supported career-focused events

Member (2024-presented)

IEEE Student Branch, University of Vavuniya

- Participated in technical, professional development, and student-focused activities.
- Supported the planning and execution of IEEE events and initiatives.
- Collaborated with fellow members in organizing and promoting branch activities.

SELECTED PROJECTS

Home Energy Monitoring System

- Real-time energy usage tracking, consumption data logging, and usage insights/reporting (IoT, Monitoring)

Pet Adoption Management System

- Java-based, OOP-driven system for managing pet records: add/update/search/delete and adoption status tracking

Calculator Web Application

- Interactive calculator built with HTML, CSS and JavaScript, with full keyboard support and its own calculation logic

NextFit

- Application concept for tracking and managing fitness goals with progress monitoring

Low-Cost Smart Laser Alignment Device

- Affordable hardware device assisting with precise laser alignment for practical applications

CERTIFICATIONS & ACHIEVEMENTS

Zero Plastic – University of Vavuniya

- **Certificate of Excellence — HERO Volunteer**
Recognised for outstanding contribution, dedication, and commitment as a volunteer.
- **Best Presenter of the Year — Finalist**
Recognised as a finalist for presentation skills, communication, and active participation in Zero Plastic initiatives.

Professional & Technical Achievements

- **IEEE Computer Society Student Branch Chapter — Secretary**
Served as a Secretary and Executive Committee member, contributing to technical and career-focused initiatives.
- **Technical Sessions & Workshops**
Organised and supported technical sessions, workshops, bootcamps, and career-focused events.
- **Technical Workshops & Bootcamps**
Participated in learning activities covering software development, AI, automation, and emerging technologies.
- **Project-Based Achievements**
Developed projects involving Java, web development, AI, and software management applications.
- **Hackathons & Competitions**
Participated in technology-focused competitions and project-development activities
